

JOB DESCRIPTION

JOB TITLE:	POSITIVE ENGAGEMENT WORKER
REPORTS TO:	TEAM LEADER
DIRECT REPORTS:	N/A
INDIRECT REPORTS:	OCCUPATIONAL THERAPIST
LOCATION:	CROYDON FORENSIC MENTAL HEALTH STEP DOWN SERVICE

JOB PURPOSE:

To develop and facilitate Service User participation and engagement. Support recovery related activities for Service users to engage with activities. Promote recovery and independent living where appropriate. Support locally recruited apprentices/volunteers and develop peer mentoring.

To successfully rehabilitate and reintegrate Service Users back into the community. To provide pathways, support and appropriate interventions to enable successful resettlements. Build relationships and work collaboratively with external partners, agencies and commissioners to achieve the desired outcomes of the service providing safer more integrated communities for all stakeholders.

The aim of the service is to provide accommodation-based step-down (High/Medium/Low/Floating) support to people referred by designated referral agencies that will allow them to address their complex support needs and prepare for independent living.

We seek to support people being supported to recovery and independence in the least restrictive setting and work with our partners to prevent delayed discharge of care (DToC) and avoidable admissions. The service provides a rehabilitation programme of care with a multidisciplinary team skills mix; support is available for people transitioning through the high, medium to low tiered services into independent accommodation.

Our cohort will be people being case managed by the forensic team including women, young people transitioning (18-25yr) from youth offending services (YOT), working age adults with a long history of engagement with forensic services, and Learning disabilities.

The service will provide support to 45 plus people between the cohorts described above who may or may not be engaging with services and therefore present a high risk to themselves or others. The service will be flexible and responsive to the multiple needs of service users including:

- People with diagnosed and undiagnosed mental health problems
- People with diagnosed and undiagnosed personality disorders
- Women
- Young people – 18-25 years old
- People with Learning disability / behaviour that challenges
- People with very chaotic lifestyles, including those displaying anti-social behaviour
- People at risk of serious offending
- People with substance misuse issues who may or may not be engaging with substance misuse services

Accountabilities:

- Service and volunteer performance
- Service user engagement
- Maintenance of good relations with partners, professional bodies and commissioners
- Comply with any required standards or procedures as detailed in the Organisation's ISO9001 QMS
- Achievement of KPI targets and personal objectives

Aims:

- To develop Penrose services to support service users in contributing to the wider community.
- To facilitate and deliver activities to engage service users who historically do not engage
- To develop and facilitate the Volunteer and Peer Mentoring support programme
- To explore and access external funding opportunities for service user involvement
- To increase ETE for long term service Users.
- To engage Recovery Workers/ Positive Engagement Workers to communicate the importance of service user involvement and the benefits it holds
- To develop genuine Service User led services across all services using a psychologically informed environment (PIE) model Penrose
- To be part of process of replicating Service User Engagement projects across relevant geographical locations and spreading good practice across the Service Pathway

Peer Support:

- Provide leadership, support and guidance to the Service volunteers
- Participate in the induction of volunteers to ensure that they are aware of their duties and the policies, practice and values of Penrose.
- Chair and record regular volunteers and service user meetings

Operational:

- Develop significant contacts and partnership working to design a programme of workshops and opportunities for service users and the wider community
- Positively promote service user involvement and engagement throughout the staff teams and services
- Develop volunteers for service user support, engagement and involvement projects
- To work in partnership with external projects and organisations to facilitate increased opportunities for service users
- Attend promotional and social events to engage with other business that we can work with and to promote Penrose.
- Attend training and to develop relevant knowledge and skills.
- To develop a Supported Pathway of Employability as part of a local development team

Skills Required:

- Ability to motivate, empower and encourage
- Computer skills including Microsoft packages
- Management experience
- Organisational skills
- Approachable personality, able to communicate effectively with Service Users
- Can do approach to develop potential business
- Ability to enthuse potential volunteers, staff and service Users
- Ability to do presentations and marketing.
- Strong Communication skills, ability to communicate with other support agencies, businesses

Financial management and Administration

- Responsible for providing on time reporting and submission of information to the service manager, such as training record updates, performance statistics for KPI monitoring and Quality & Performance for payroll etc...,
- Ensure all Penrose policies and procedures are appropriately understood, followed and implemented at the Project

Health & Safety and Environment

- Promote and encourage best practice in Health & Safety throughout all service design and delivery
- Understand and adhere to restrictions and regulations of Service Users where necessary
- Liaison with referring agencies and external partners to assess, minimise and manage associated risks
- Take responsibility for the personal safety of all people working and/ or visiting the service especially in response to emergency / evacuation situations
- Ensure all the organisations rules/policies regarding Health, Safety and the Environment are strictly adhered to and that safe working practices are adopted at all times and risk assessments are both carried out and followed
- Responsible for reporting any incidents /accidents occurring at the Service to the on call manager/ Head of Services and the competent Health & Safety person. Conducting initial investigations into the incident / accident and provide appropriate report
- Ensure all RIDDOR incidents are reported in a timely fashion
- Responsible for ensuring COSHH and Risk assessments records are maintained and available for reference and use
- Regularly review the Project's continuity plan and update line-manager on any significant changes / risks
- Assess each individual's ability and limitations and assign role that are within their capability.
- Assess each site and complete health and safety forms.

Equal Opportunities

- Ensure consistent and effective implementation of Penrose's Equal Opportunities & Diversity policy and procedures

- Ensure volunteers are trained and understand Penrose's Equal Opportunities & Diversity policy and procedures
- Positively promote an environment within Penrose which respects and values the diversity of both volunteers and service users.

Other Responsibilities and Duties as Required

- Other responsibilities than those described above may be required to be undertaken from time to time and will be expected to be performed to as long as it is within the capability and level of the position.
